

Free Webinars on nutritional tables & e-labels with Holger Kiefer and Winestro Webinar zu Nährwerttabelle & E-Labels mit Holger Kiefer und Winestro in German!

**DATES: Thursday, September 7th, 2023 from 10 – 12 a.m.
and Thursday, November 9th, 2023 from 10 – 12 a.m.**

The introduction of the e-label is getting closer: That's why we're offering two free webinars on the subject for everyone in the wine industry. In these Webinars, Holger Kiefer will explain in more detail what needs to be considered when e-labels and nutritional declaration becomes mandatory. Holger speaks from the point of view of a lawyer specializing in wine law. The Winestro.Cloud team will talk about the most important points on how to use e-labels and how they can facilitate and help wine growers to overcome this challenge in an easy and relaxed manner in the coming year.
